## **CRITERION VII - INSTITUTIONAL VALUES AND BEST PRACTICES**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

1. Annual gender sensitization action plan
2. Specific facilities provided for women in terms of:

**A. Safety and security**

**B. Counseling**

**C. Common Rooms**

Response: Yes, gender equity plays a great role in maintaining harmony among the students and in the Society. The institution keeps initiating several measures for the promotion of gender equity. Women constitute 50% of the population. Their contribution to the Society and nation depends upon how the Society and nation treats them. Higher education aims at creating a set of individuals with values inclusiveness and equity. There must be provision in the Curriculum for such values. The institution has zero tolerance as to the devaluation and ignoring of women rights etc. Higher education institutions are the best Platforms which alone can bring transformation, where neglected women can raise their questions against injustice to them. Maintaining gender equity and parity is taken as prime important by the institution. Women empowerment Cell of the college always keeps striving to protect and promote gender equity through various activities that create awareness about these rights. Right to equality, is a fundamental right and prohibits discrimination of any sort. Right to education, right to work and equality between men and women, old age, disablement, sickness, congenial working conditions, maternity leave etc are important. As per the supreme court judgment. the employer has to prevent the commission of sexual harassment

like acts and give protection against them. In NSS 33% reservation is there for girl students. Both units conduct awareness rallies and other programmes to create / promote awareness among the masses. The institution provides for the gender sensitive and congenial working conditions for all types of works or employees. Zero tolerance against particular discrimination and sexual harassment. Lady students are encouraged to take active part in all the activities that are conducted on the camps. In total a sort of environment is created, where in they are felt in no way lesser to gents. All the buildings/classrooms are covered with CC Cameras, Common room, Counselling at the time of admission and Visiting doctor are arranged in the institution ,
