- In addition to this, the institution regularly organizes Special Lectures, Seminars/Workshops on various topics and burning issues so that the rural youth can learn many new things which are beyond the curriculum.
- The N.S.S Cell and Scouts Guides promote societal values and ethics such as compassion, perseverance, tolerance, positive attitude, fraternity, integrity, equality, and temperament for serving others. The acquisition of these societal values ultimately transforms the students into valuable assets to a nation who contribute toward national development.
- The Women Empowerment Cell and Anti-Sexual Harassment Cell aim at sensitizing the students to gender-based concerns and promoting the essence of gender equality to make society more inclusive, tolerant, and ethical.
