The grievance procedure is a machinery to sort out the issues between student and college. It is a means by which a student who believe that, he/she has been treated unfairly with respect to his / her academic/administrative affairs or is convinced to be discriminated is redressed. It is a device to settle a problem. It enables to express feelings by initiating and pursuing the grievance procedure in accordance with the rules and regulations of the college. It involves a process of investigation in which 'Student's Grievance Cell' acquires and analyses the nature and pattern of the grievances in a strictly confidential manner. Minutes are disclosed to only those, who have a legitimate role in resolving the matter. - To develop a responsible and receptive attitude among all the stakeholders.
- To create a platform where students can point out their problems, regarding academic and non-academic matters.
