

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

For the preparation of this examination we undertake classes .Vachanas taught us Kayak and Dasoha.

Best Practices

1) Title of the practice: Computer based job oriented courses

2) Objective of the practice:

- To equip the students with the computer knowledge.
- To create among the students a sense of respect for manual work.
- To make the students to stand on their own legs.

3) Need Addressed and the context:

The need of computerization has been emphasized in the new education policy. The students of B.A & B.Com are not getting job as and when they complete the course. Majority of the students are in need of jobs after the completion of their UG courses for their lively hood. So computer based courses like PGDIT, DCTTC, DIT, ADIT, Tally.DTP, Page maker, Coral draw etc. helps them to build up their future.

4) The Practice:

The College has a tag with S.K. Computer center Indi. It is registered under..... It conducts various computer based courses like PGDIT, DCTTC, DIT, ADIT, Tally.DTP, Page maker, Coral draw etc. Our students can take admission in this institution. It charges only 50% of the actual fee charged by the institution to our students.

5) Evidence of success:

- 1) After the completion of course he is able to work on computer as per the course taken by him.
- 2) The computer center is issuing certificate after the successful completion of the course.

These are the best evidence for the successful completion

6) Resource:

To conduct these courses well equipped computer center and faculty members are require. S.K. Computer center has qualified teaching staff they teach to our students. Our college has well equipped computer lab. We provide it to them after the college hours.

II. Best Practice

1) Title of the practice: Mentoring system of the students.

2) Objective of the practice.

- To look after the academic activities of the students.
- To provide necessary needed guidance and help.
- To minimize the dropouts and improvement of students in all sense, through personal contact.

3) Need Addressed and context :

Present the ratio of students and teacher is very high. Sometimes it is 150/200:1. In such cases the teacher is not possible to know the student personally, and to give attention on him. The Student has no any possibility to tell his problems about the campus and his personal to others. These problems make the students to go in stress. That stress sometimes may turn into suicide or dropout to the college.

To overcome from this problem mentor system is best solution.

4) The Practice:

In our college we created mentor ward groups. Each teacher is assigned 40-50 students. They meet at least once in a week. They discuss and clarify their problems. The mentor teacher gives suggestion as a parent and friend. He acts as local parent /Guide also. He tries to solve the problems.

5) Evidence of success:

Evidence of success of the practice includes, decrease in dropouts, better results in the examination, increase in the attendance, increase in participation in co-curricular and extracurricular activities, self confidence among the students.

6) Resource:

Defecated staff members are in our college they work as mentor beyond teaching hours.

III. Best Practice.

1) Title of the practice: Language Lab to develop communication skill

2) Objective of the practice.

- To enhance the English and Communication skills of students.

3) Need Address & Context:

Our college is situated in taluka place. Majority of the students are rural base and agriculture family. They obtained their previous education in vernacular medium and neglected the skill of communicative language. At present job market, English communication skill is essential. To enhance the English and communication skill this practice has taken its own importance.

4) Practice:

In our college we teach English Basic grammar and communication skill. Interested students are approaching the coordinator of this practice. He evaluates the need of this practice and registers his name. English teacher teaches Basic grammar and communication skills. He uses language lab also. The students are evaluated regularly based on the performance. The poor achievers are given additional attention.

5) Evidence of success:

The students who undergo this practice are able to find themselves as competitive person. His attitude will change. They became self confident person.

6) Resource:

Full pledged language lab is available in our college. The faculty members of the Dept of English are taking of efforts to enhance the English and Communication skill.

7.4 Contribution to environmental awareness / protection

- The word environmental day is celebrating by the NSS.
- College is situated in outside the city where there is no any sound, smoke and any other outside disturbances.
- More than 2000 plants are in campus.
- College follows vehicle free day once in a week.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOT ANALYSIS

STRENGTHS:

Major strengths of college are as noted below

- It is imparting higher education to the rural learners since 1979.
- It is accredited and re-accredited at 'B' level by NAAC.
- College is built in spacious enough 12 acres of land which is adequate enough to expand infrastructure facilities like hostel, advanced digital library, indoor and outdoor facilities for sports and gym
- College is equipped with 30 class rooms with proper ventilation for Lectures, seminar and conducting administrative operations, computer lab, Gymnasium.
- College is away from city noise and air pollution.
- College provides plenty of opportunities for socially, economically and educationally back ward class of people
- Apart from planned academic syllabus, college conducts computer ad on classes for strengthening of skills in the students to empower employability of the students
- College conducts NSS programs and range scout unit to develop national integrity and awareness social service in the students
- College runs a strong body of cultural forum to improve the extracurricular activities in the students, this has proved a lot of interests within the students as they grabbed the awards conducted often
- College encourages the faculty members to pursue the research and higher studies in the field of their interests
- College runs an active club for women empowerment and a committee is organized to look after problems of women
- College has a **RED CROSS UNIT** to motivate the blood donation

Weaknesses observed in the college are as below

- The great asset of our college is experienced faculty members, as they are all retiring within the span of 2 to 3 years this will be the biggest challenge to deal with
- College is facing the shortage of funds to expand the infrastructure facilities like hygienic canteen, maintained ladies room and well equipped hostel for boys and girls
- College don't have proper interface to industries to bridge the gap of skill for students, which hampers their opportunities to compete in the global market
- Majority of the students attending the college come from below poverty line and are agriculture based income, so they are unable to continue their courses and drop the courses in between
- Due to illiteracy and poverty parents are not encouraging their daughters to continue the education, they are arranging their marriages.

Opportunities to improve the institution are

Owing to strength as envisaged above, institution has potential opportunities to improve the quality of Higher education to attract the learners.

- Our institution has potential to start new departments in post graduation, which can be achieved by strengthening of the head count of the teaching faculty
- The geographical region is draught prone, economically backward and agriculture based, the alternate courses in the field of agriculture and horticulture based, tourism and hotel management courses can be considered to draw the interests of students towards higher education and improve the class of living in the public.
- By providing hostel facilities the GR will increase..

Threats

- It is observed that conventional and primitive study structure is not adequate enough to make students employable, this poses a major threat to attract the students towards college. Such state of affairs necessitates for diversification and introduction of vocational courses.
- In our college majority of teaching faculty is retiring within few years. It is a threat for the improvement of GER. Newly appointed commerce faculty are not experienced to cater the requirement.
- Commencement of new college in and around the cities by Govt. and Private management.

CHALLENGES:

8. Plans of institution for next year :

- Planned to purchase Electronic appliances and other equipments.
- Smart board facilities are to be increased.
- Megha Blood donation camp and Eye Camp are planned organise.
