**CRITERION II - TEACHING-LEARNING AND EVALUATION**

**2.3 - Teaching- Learning Process**

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences.

### **2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences.**

The institution ensures the use of student centric methodology such as experiential, Participative learning and problem-solving methodologies in teaching-learning process. For enhancing learning experiences, the faculty members adopt many ways, for example, lecture method, interactive method, project and field work method, computer-assisted method, experiment method etc. Teaching and learning activities are made effective by these practices. Many teachers use the conventional black-board presentation methods, especially in mathematics, commerce and economics, where they teach mathematics and statistics as numerical solving. Also, some teachers use power point presentations and computer-based materials. For, they use the lectures of you-tube to make learning interesting besides the conventional oral presenting methods. Some Student centric methods are given below:

#### **1. Experiential Learning**

**1.1. Project work:** Project work is organized in two phases

1) Mini project and 2) Major Projects this is an essential element of each programme  
Internship or Field Projects in industry.

**1.2 Participation in competition at various level:** For Real time exposure students are encouraged to participated at National and International Level

**1.3 Field Visits:** Faculty identifies and propose Academically significant Field visits.

**1.4 Industrial Visits:** Departments Plan and Organise the industrial visits for students to provide exposure to industrial work culture.

**1.5 Guest Lecture:** Guest lecture by eminent experts from industry and academics from across the world are organised to supplement the teaching process and provide experiential learning.

## **2. Participated Learning**

**2.1 Role play:** Teachers adopt role play method especially in management courses to supplement Teaching by way of participative learning

**2.2 Team work:** All Departments organize students activities to promote the spirit of Team work The activities and Camp of NSS, institutional social responsibility through Red Cross, Tree plantation. Swatchh Bharat and Health awareness camp to help the students to learn Art of living in a team for Social and community welfare.

**2.3 Debates:** Debates are followed in many of the subjects where students are required to come with different opinions, thought processes thus the learning process gets justified in the argue-mental way of learning.

**2.4 Group work:** Practicals and workshops in all individual and group work under the guidance of teachers are also conducted.

## **3. Problem solving Methodology**

**3.1 Case studies:** Case study method is adopted in teaching learning process to make the students have logical thinking and practical knowledge to develop problem solving ability. This is commonly adopted in management programmes as well as while teaching Business law, cyber laws etc.

**3.2. Analysis and Reasoning:** All questions in examination are based on analysis and reasoning. Free internet access in the library and wifi facilities in campus promotes the habit of self learning and discussion.

**3.3 Discussion:** University follows the discussions methods in many of the subjects as it makes the students to think wide and participate in coming up with the opinions & suggestions to check their current knowledge. Discussions are held basically in soft skills, managerial communications, business adoptions etc.

**3.4 Quizzes:** Quizzes are conducted by subject teachers in all UG programmes.

**3.5 Research Activities:** Research activities are conducted in each Department under the guidance of senior faculty where the students of different semester get knowledge about emerging area and help them to promote in Research aptitude.
