A brief report on Special lecture on Direct Balance Sheet

A brief report on Special lecture on Direct Balance Sheet Department of Commerce, Shri G.R.Gandhi Arts, Shri Y.A.Patil Commerce and Shri M.P.Doshi Science Degree College Indi. On 08-08-2024 at 10:00 am. The lecture was delivered by DR Santosh B Kabade, Associate Professor in Government First Grade College Dist. Vijayapur. The lecture was attended by students of B.Com 1 year, 2nd year and 3rd year students. DR Santosh B Kabade expressed that the balance sheet is one of the three fundamental financial statements and is key to both financial modeling and accounting. The balance sheet displays the company's total assets and how the assets are financed, either through debt or equity. It can also be referred to as a statement of net worth or a statement of financial position. The balance sheet is based on the fundamental equation: **Assets = Liabilities + Equity**. In this special lecture the students and faculties attended the session.
