

7.3 Institutional Distinctiveness

7.3.1 Describe/Explain the performance of the institution in one area distinctive to its Vision, Priority, and Thrust.

It is very important in the overall progress and development of the institution. With this view, our college has its mission statement accordingly we always try to function uniquely, innovatively, and distinctively from the other institutions. As far as our Mission and Vision are concerned, the college always tries to implement distinctiveness in the work. Our college has a large number of students from the surrounding villages. The number of girl students is more in number. Most of the students are from rural areas & poor backgrounds, but they are not poor in talent, knowledge, and humility. Our college staff identifies their talent and encourages them as per our mission statement, 'we aim to bring the girl students into the mainstream of higher education.

This institution was established on the year 1979. The main aim was to provide an opportunity to the rural students of this area especially the rural girl students to pursue higher education for their development and the progress of their families. My mission statement HEI gives exposure to the girl students to get an opportunity to participate in every curricular, extracurricular, and extension activity very actively. Through the NSS, ROVERS, and RANGERS, the girl student gets a stage and dais to develop their academic as well as professional, cultural, social consciousness, alertness, and responsiveness.

The college organizes women empowerment programs for making them confident enough to struggle in the battle of life. Various eminent women personalities are being invited for guidance on several issues. Special health-related Seminars and workshops were organized and health check-up camps has been organized to find out the health issues and provided them with Government and private hospital help in the form of consultancy and expenditure. We constructed special girl students to facilitate them. As per HEI guidelines, we have taken the initiative and started taking admission to special girls in ROVERS & RANGERS and NSS for the last 3 years. With this effect, many of them are selected by the Karnataka Police Department, Railway Department, Education Department & In Multi-National Companies. We are very proud to say that our students are selected for Army as a Soldier. The soldier is the real hero of the nation. Department of Physical education had allowed them to actively participate in Chess, Volleyball, shuttle badminton, etc.
