STUDENT COUNCIL

The students' council is the constitutional representative body of the student community at the college level; it plays a crucial role in keeping the college environment healthy and well-functioning. Due to students' participation, it is easy for the college administration to conduct various programs like cultural, sports, awareness, and education programs and also to provide community services to society through Bharat Scouts and Guides Rovers Unit and NCC. It is a nice platform for the students to present their views, ideas, and interact. An implicit view behind the constitution of the students' council is to improve the quality of higher education. The College has a student council. It has been actively involved in setting the academic and administrative culture of our institution. The whole body of the council has been constituted or formed on the basis of merit in the qualifying examination. The meritorious students have been chosen as general secretary and class representatives. In this way, the institution follows democratic procedure in formulating the council. The council members have been actively involved in hosting various socio-cultural events on the college campus. Every year in college, cultural, sports, and annual days are organized with the major role of our student council.
